**OBS!** Det är av yttersta vikt att bromsarna är ilagda då man sätter sig på sitsen

**NB:** It is very important to apply the brakes before you sit on the seat.

**NB!** Es ist sehr wichtig dass die Feststellbremsen des Rollators vor dem Hinsetzen arretiert sind

**ATTENTION!** Les freins du rollator doivent être enclenchés avant de s'asseoir sur le siège

**OPGELET!** De remmen van de Rollator moten tijdens het zitten op de zitting ingelegd zijn

Volaris lämnar 2 års garanti på rollatorn förutsatt att den används normalt. Garantin gäller ej förslitningsdelar såsom handtag, hjul och vajer.

Volaris provide a 2-year guarantee on the rollator on condition that it is used normally. The guarantee does not cover wear and tear parts, such as handle, wheel and cable.

Volaris gewährt eine 2-Jahresgarantie auf den Rollator bei bestimmungsgemäßigem Gebrauch. Diese Gewähr wird nicht gegeben auf Verschleißteile wie Griff, Räder und Kabel.

Volaris accorde aux rollators une garantie de 2 ans à conditions qu'ils soient utilisés normalement. La garantie ne couvre pas les pièces usagées telles que poignées, roues et câbles.

Volaris verleent 2 jaar garantie op de Rollator onder de bediening van normaal gebruik. De garantie geldt niet voor slijtende delen zoals; handgreep, wielen en zeil.
